### Guest speakers Gayle Sommerfeld, Sandi Helm

Hear how D4G has made a difference in the lives of women and girls. Learn how to prevent period poverty and how to protect girls from the cultural practice of FGC.

Dignity4Girls brings the love of Christ to women and girls by sewing and distributing the *Days for Girls* feminine hygiene kits to at-risk communities and educating about the dangers of FGC (feminine genital cutting). D4G also supports the development of empowerment programs in Kenya and Liberia that grant dignity and independence. In-country sewing enterprises enable women and girls to sew pads and garments. D4G's hen and goat sponsorship program provides crucial nourishment for families while the Kenyan hen farm raises money through the sale of eggs.

DAYS FOR  
GIRLS

### Fighting Period Poverty, one girl at a time.

What if you had to miss school or work because you didn't have dependable supplies?

How many days per year would you lose in education and wages simply because you got your period? This is the situation for more than 500 million women, girls and menstruators
