Mwadui Lutheran School in Shinyanga, Tanzania, has become one of the leading schools in the region with enrollment increasing from 40 to over 200 students. It is educating many new pastors, teachers, and professionals from all over western Tanzania using a curriculum with a Christian world view and daily chapel. This educational facility has become a valuable Christian outreach ministry to the community and region. However, malaria and other health issues continue to be a vexing problem for the students, teachers, staff, and community. The next step in enhancing this educational facility is starting a medical clinic. This grant will purchase medical equipment, medical supplies, and medicine to treat the various illnesses of the student community in the Southeast of Lake Victoria Diocese of the Evangelical Lutheran Church, Tanzania
